

July 2023

Item 9. (a) To discuss a reduction in the speeding limit to 40mph on Boughton Long Road

The village gateways on Boughton Long Road are due to be installed during 2023 by NCC. These were the recommended option from the Highways Engineer for reducing speeding.

With regards to requesting a reduction in the speed limit, members can find further information from Norfolk County Council regarding their Speed Management Strategy; traffic calming and changes to speed limited starting [HERE](#)
